Company Profile

Aimonleather Industry is a Zafarwal (District Narowal) based manufacturer and exporter specializing in premium leather garments, industrial safety gloves, welding leather clothing, working coveralls, and fitness accessories. Our products are made to order for wholesale and export clients worldwide, combining traditional Punjab leathercraft with modern safety and performance standards.

This catalogue presents our complete product range across four core categories. All items are available for bulk and custom orders — contact our team directly for pricing, minimum order quantities, and lead times.
